A Brief History of the College

St. Joseph's College of Commerce (SJCC), formerly a part of St. Joseph's College, established in the year 1882, is managed by the Bangalore Jesuit Educational Society (BJES). The BJES is a unit of a Catholic religious order called Society of Jesus founded by St. Ignatius of Loyola in 1540. The Department of Commerce was established at St. Joseph's College in the year 1949 which later became an independent college with its own building in Brigade Road in the year 1972.

The college has in its Vision a model for higher education which encourages individuals to dream of a socially just world and in its Mission a strategy to empower individuals in realizing that dream. With an objective of imparting quality education in the field of Commerce and Management, the college has been innovating in all aspects of higher education over a long period of time. These innovations were further bolstered with the granting of autonomous status to the college by UGC in September 2005. From then on, the college has taken a lead in reforming curriculum and syllabus, examination and evaluation pattern, and teaching and learning methods through the Board of Studies, the Academic Council and the Governing Council composed of eminent academicians, industry representatives and notable alumni.

The college has undergone four cycles of NAAC accreditation starting from the year 2000 in which it secured 'five stars', next in the year 2007 an 'A' grade, in the year 2012 again an 'A' grade and recently in February 2021 an 'A++'. It is one of the very few institutions in the country to have secured A++ grade in the fourth cycle under the Revised Accreditation Framework (RAF) and the first college in Karnataka to do so. The college was declared as a 'College with Potential for Excellence' in the year 2010. In 2011 SJCC was recognized as a Research Centre by Bangalore University. The college has been ranked 74th in the National Institutional Ranking Framework (NIRF) ratings of Ministry of Education, Government of India, in 2021 and it has been the only college from Karnataka to make it consistently to the top 100 in the country.

The college offers diverse programmes in Commerce and Business Administration faculties. Under the faculty of Commerce, it offers B. Com (Regular), B. Com (Professional International Accounting and Finance), B. Com (BPS Industry Integrated), B. Com (Travel and Tourism), B. Com (Analytics), B. Com (Professional - Strategic Finance), M. Com (Finance & Taxation/ Marketing & Analytics), M. Com (International Business) & M. Com (Financial Analysis). Under Business Administration, it offers BBA (Regular), BBA (Entrepreneurship) and BBA (Professional- Finance and Accountancy). The college also offers six one-year Post Graduate Diploma programmes.

The college aims at a holistic and integral formation of its students, fostering in them a spirit of academic excellence, social concern and character formation, shaping them to become "men and women for and with others".

The motto of the College is 'Fide et Labore' ('Faith and Toil'), which serves as the inspiration for the vision and the educational praxis of the college.

Ranked 74th in the 2021 National Institutional Ranking Framework (NIRF), by the Ministry of Education, India.

Ranked as one of the 12 best colleges in India for Commerce Studies by various reputed magazines.

UGC extended SJCC's Autonomous Status for ten years

Vision & Mission

Jesuit Vision of Education

Jesuit Education, inspired and motivated by the person and message of Jesus Christ, affirms that

- (a) God is the author and sustainer of all reality and truth;
- (b) Every human being is created in the image and likeness of God; and
- (c) The whole of creation and the human community are radically good.

Jesuit Education, therefore, is committed to

- (a) An authentic search of knowledge in the service and advancement of the world;
- (b) Upholding the dignity, uniqueness and giftedness of each individual; and
- (c) The promotion of harmony among humans, and between humans and nature. The 'Mission' is derived from the Vision and is the *raison d'être* of the College.

St. Joseph's College of Commerce seeks to be the place where search for knowledge complements a sense of responsibility to the life of the community, where understanding is coupled with commitment, and where academic excellence goes with the cultivation of virtue. The Institution seeks to be a community which sustains men and women in their education and their conviction that life is lived well only when it is lived generously in the service of others.

Aims and Objectives

In keeping with the ethos of the Society of Jesus, the guiding force behind this Institution and keeping in tune with the spirit and needs of the times we live in, the College aims at the holistic formation of students, helping them to become men and women imbued with a spirit of excellence and an abiding concern for others. These are guided by the three intertwined goals: Academic Excellence, Social Concern & Character Formation.

Principal's Foreword

Annual Report
2021-22 2021-22

Principal's Foreword

Distinguished Chief Guest of this evening Prof. H.S. Venkatesh Murthy, retired and most respected professor of SJCC, Principals from our Jesuit institutions, Rev. Fathers, Rev. Sisters, respected Members of the Staff, Parents, the president of the OSA- Ms. Kavitha Muthappa, all the OSA members, Guests and my dear Students – good evening and a warm welcome to the 50th College Day Celebrations of St Joseph's College of Commerce.

The year 2022 marks the 50th Anniversary of SJCC's journey as an independent college. In these five decades the college has built a rich legacy as an institution of excellence, providing holistic education to thousands of students. As we celebrate the golden jubilee of the institution, we also remember the selfless service of the previous principals, staff and students of the college who made this long and successful journey possible.

This year also marks the 500th anniversary of St. Ignatius' "Cannonball Moment" and his transformation, a significant event in the life of St. Ignatius of Loyola, which inspired a new spiritual movement all over the world.

The institutional ethos formed around cultural diversity, constitutional values and the Jesuit philosophy has shaped generations of Josephites. The college has established itself as an institution of great social relevance by adhering to its motto of 'forming men and women for and with others'. Learning at SJCC, defined by the three pillars of SJCC education: Academic Excellence, Character Formation and Social Concern, focuses on its mission to educate and empower the deserving and the marginalized.

During this academic year the college transitioned from online mode to on-campus classes and activities. The limitations

of online learning were compensated with rigorous in-campus revision and remedial classes. Every effort was made to help students handle anxieties relating to academic performance and social life in campus. Academic activities such as seminars, conferences and workshops commenced in the physical mode along with cultural and sports activities. The college was able to recreate the pre-pandemic learning environment for a holistic development of students.

The Annual Report is an attempt to present to you the activities of the institution of this academic year. As you peruse this report, you will experience the commitment of the Institution in imparting holistic education in its true sense. The Annual Report of the college is not only a record of our journey of this academic year but also captures the dreams and aspirations of the years to come. Our Patron St. Joseph is always a source of inspiration for us to strive hard and God has bestowed His grace on each one of us abundantly, so that we may continue this journey of excellence.

God bless all of us.

- Dr. Charles Lasrado, SJ
Principal

Institutional Response to Covid-19 Pandemic

Annual Report

2021-22

2021-22

Institutional Response to Covid-19 Pandemic

In 2020, at the initial stage of the pandemic, St. Joseph's College of Commerce (Autonomous) effectively responded to the challenges that the marginalized communities faced. In this regard, the institution reached out to support the vulnerable individuals and families in dealing with the issues evolved. Similarly, this academic year too, the college continued the outreach initiatives through the Outreach Department, Associations, and Clubs. A detailed report of all the initiatives undertaken by the institution is furnished below:

Vaccination Drive

SJCC in collaboration with BBMP, Ashok Nagar, organised a Covid Vaccination Drive on 5th July and 4th August, 2021 for the students, faculty members, administrative and support staff. This drive was organized to help those who couldn't take the first dose of vaccination. 219 people including the teaching and non-teaching staff got vaccinated with Covishield in the 1st drive. In the 2nd drive 96 people got vaccinated with Covaxin and 142 were vaccinated with Covishield. In total 457 people were vaccinated during the drive.

Food Distribution Drive

On account of 75th Independence Day, the National Service Scheme (NSS) volunteers of SJCC visited the Gerizim orphanage on 15th August 2021 to organize a food drive. 15 volunteers from the association attended this drive. Participating in the Drive allowed the volunteers to comprehend the challenges faced by the children living in orphanages.

Social Visit and Fruits Distribution

CSA organized Social Visit and Fruits Distribution programme on 18th September 2022. A team of 27 volunteers from the association visited Khader Sheriff Garden Slum, Lalbagh Road. Students interacted with the members of the community which helped each member to understand the unpleasant living conditions of those who live in slums. The visit also made each one acknowledges the privileges, often taken for granted.

Kannada SJCC. The performances were organized to create awareness among the audience on the importance of community health and hygiene during the pandemic. The play was performed in different localities of Bengaluru, such as slums, bus stands, markets, playgrounds, community centres, places of worship, migrant and nomadic communities, a few places in the tribal belt of Doddaballapura, Fakir Colony — where rag pickers from religious minority communities live. Planning for each performance was carried out bearing in mind religious diversity, caste identities, and occupational identities. The team also performed for school children and specially abled communities in association with the 'Association for People with Disability'.

The play was scripted in Kannada, English, Hindi, Telugu, and Tamil in order to make the performance series an engaging and inclusive experience. It was conceived around the theme of cultural inclusivity which enabled the audience to reflect on the need to analyse the numerous ways in which stereotypes influence social relations. The play also looked at how stereotypes prevent individuals, especially those who belong to the marginalized strata from attaining social mobility. The oral feedback received from the audience indicated that they perceived the play watching experience as an opportunity to educate themselves on diverse socio-political and cultural repercussions of the pandemic.

National Education Policy (NEP) Implementation at SJCC

Annual Report
2021-22 2021-22

National Education Policy (NEP) Implementation at SJCC

Karnataka was the first state in India to implement the New Education Policy announced in the year 2020. The state set up a Task Force to facilitate the implementation of the Policy in Higher Educational Institutions across the state. As a proactive response to the Karnataka Government's decision to implement NEP from the academic year 2021-2022, St. Joseph's College of Commerce (Autonomous) constituted an Internal Task Force to study the National Education Policy document and suggest a roadmap for implementing it in the institution. The NEP Task Force was formed with the following faculty members as its members:

- Dr. Nirmala Joseph - Chairperson
- Prof. Muktha - Member
- Dr. Veenu Joy - Member
- Mr. Vinay Kambipura - Member
- Dr. Deepika Joshi - Member

The NEP Task Force was created to undertake the following two tasks:

1. To design the Curriculum Framework for Undergraduate and Postgraduate Programmes offered at SJCC, in the light of Directives/Policy Framework recommended by the UGC for the implementation of NEP.
2. To suggest the procedural measures that need to be followed in the implementation of the NEP at SJCC with effect from the academic year 2021-2022.

The Task Force studied the report prepared by the Task Force for Implementation of NEP 2020 in Karnataka and other related documents including the government orders. After holding several rounds of discussions, deliberations and consultations, the SJCC Task Force prepared a roadmap for implementation of NEP at SJCC and offered a list of suggestions. The Task Force held meetings with the Registrar, Vice-principals, Head of the Departments and Programme coordinators and guided them in developing new Curriculum Framework in alignment with the NEP.

Institutional Best Practices now part of NEP

St. Joseph's College of Commerce excels in the holistic development of the student community through a set of well-designed educational practices. These practices represent the ongoing interventions made by SJCC, responding to the changes in the industry and academia to augment the standard of learning experiences. SJCC, since its autonomy, has taken lead in instituting several best practices which are now accepted standard practices. The New Education Policy gives credence to and validates the existing best

practices of the institution by including them in the NEP curriculum framework. Some of the institutional best practices that are now part of the NEP curriculum in Karnataka are:

- Embedded Programmes
- Industry Collaborative Education
- Internships
- Student Research
- Inter-disciplinary Approach
- Multi-disciplinary Education
- MOOCs
- Holistic education
- Mental Health, Counselling & Well-being
- Inter-disciplinarity
- Cultural activities
- Sports activities

Orientation Sessions

The implementation of NEP at SJCC began with a series of orientation programmes to various stakeholders of the institution. First set of orientations were conducted to the Registrar, Vice-principals, HoDs and Programme Coordinators to help them prepare the curriculum framework. In order to prepare the administrative staff for the implementation of NEP a separate set of orientation was conducted to them. An orientation session was conducted to

the teaching staff briefing them about the NEP implementation plan at SJCC. Several rounds of orientation programme were conducted to the students in order to introduce them to the new curriculum framework.

Functional Kannada:

The teaching of Functional Kannada was made mandatory under the NEP curriculum. The Department of Kannada created an innovative and creative teaching plan for the conduct of Functional Kannada classes by using theatre, folk art and song and music. These classes helped students from outside Karnataka to pick up basic conversational Kannada. The classes were well appreciated by the students.

Open Elective and Skill Courses

Under the Choice Based Credit System (CBCS) Open Elective courses were offered in the third and fourth semesters. However, in the NEP curriculum Open Electives were to be offered for all of first four semesters. Despite SJCC being a single discipline college, the institution has provided students with a wide range of open elective courses like Graphic Designing, Sustainable Development, Film Criticism, Media Studies, and others, thereby providing a truly multidisciplinary education to the students. Students are also provided with discipline specific skill courses to equip them with the global competencies and skills.

Golden Jubilee Celebrations

Golden Jubilee Celebrations

The year 2022 marks the 50th Anniversary of SJCC's journey as an independent college. In these five decades the college has built a rich legacy as an institution of excellence, providing holistic education to thousands of students. The institutional ethos formed around cultural diversity, and constitutional values has shaped generations of Josephites. The college has established itself as an institution of great social relevance by adhering to its motto of 'forming men and women for and with others'. Learning at SJCC, defined by the three pillars of SJCC education: Academic Excellence, Character Formation and Social Concern, focuses on its mission to educate and empower the deserving and the marginalized. The notable alumni of SJCC through their commendable efforts in different walks of life have spread the Josephite culture of excellence through hard work centred around concern for humanity. As part of the Golden Jubilee Celebrations, the college will organize year-long activities which include academic programmes, community outreach activities, staff and student welfare activities, and cultural programmes. These programmes will be a combined effort of the staff, students, alumni and all other stakeholders. The Closing Ceremony of the Golden Jubilee Celebrations, to be held at the end of the calendar year, will showcase the rich academic and cultural legacy of the institution, and mark the culmination of the Golden Jubilee activities.

Inauguration and Logo Reveal

The inauguration of the Golden Jubilee Year Celebrations happened on 16 April, 2021 during the College Annual Day of the academic year 2020-21. The Chief Guest for the Day Prof. Mrs. B.C. Vaz and the then Principal Dr. Daniel Fernandes, SJ inaugurated the Golden Jubilee Year with a logo reveal.

Academic Programmes

The golden jubilee year will witness an array of academic activities organized by all the Departments at SJCC. The academic committee has formed sub committees to plan and organize national and international level seminars, conferences, book publication, theatre and literary festivals. Likewise, the Placement Cell of SJCC intends to conduct a placement officer's meet, career fair, skill development activities, and internships.

Social Outreach Activities

SJCC considers social outreach as an integral characteristic of its educational philosophy. In the golden jubilee year, the Social Outreach Activity Committee aims to create awareness on financial literacy among rural woman and youth, organize awareness activities regarding digital facilities and opportunities. The committee also envisions to extend academic support to a few marginalized communities. Along with that, other progressive interventions will be made in Kole Basava Community and Snake Charmer Community. The team will conduct social visits and health camps. The Committee has also designed a social intervention project titled, 'Dirty Peacock' to highlight the consequences of large-scale garbage dumping in areas surrounding Doddaballapur Garbage Dumping Yard. The project also aims to create awareness among the people about the environmental consequences of garbage dumping through art installations and

College History Committee

St. Josephs College of Commerce (Autonomous) completes fifty years as an independent college in 2022. SJCC, over the years has surpassed numerous momentous milestones that add to the rich legacy of

the institution along with a wide range of experiences, memories and anecdotes. However, all the aforementioned aspects of SJCC's journey have not been captured comprehensively in writing. Hence, the College History Committee intends to write a book that tells the story of the dynamic and diverse culture of the institution. The college history book is envisioned as a repository of the nuggets of memories recollected since 1972 through personal reflections of diverse stakeholders to rekindle the bond each one shares with the institution.

Staff Activities Committee

The institution holds the academic and non-academic contribution of each and every staff member in high esteem and remains committed to ensure their overall well-being. The Staff Activities Committee plans to organize a wide range of events involving the staff members of the institution. The events for the staff will include mental well-being sessions, interactive session for support staff on financial literacy, workshop for administrative staff on Tally, Excel, and PowerPoint, staff picnic, and other cultural programmes.

Publicity Committee

SJCC believes in maintaining constant rapport with all its stakeholders. The institution makes an effort to update the public on all the important activities that the institution conducts. The publicity committee will work towards publicising all the golden jubilee events conducted by the institution through various media houses. The team will distribute brochures and invitation cards to all the stakeholders, and media outlets, both print and visual media. In addition, the publicity committee will coordinate with the members of the Old Students Association (OSA) to publicise the events.

Memento and Merchandise Committee

With a view to enhance the overall grandeur of the golden jubilee activities, the Memento and Merchandise Committee will make custom designed stationary items, mementos, and memorabilia. The committee will be responsible for the purchase and distribution of all stationary items required for various committees before and during the events. The gifts and mementos for the dignitaries and members of the institution will also be designed by the committee.

Documentation Committee

The committee will be involved in documenting the details of all golden jubilee activities. The committee will prepare a database of universities and colleges, and invite them to attend the golden jubilee programmes. The team will make an audio-visual documentation of the golden jubilee activities using details and photographs of all the events to be displayed during the valedictory ceremony.

Valedictory Committee

The golden jubilee celebrations will officially conclude with the valedictory ceremony. The committee will plan and organize a diverse set of cultural and academic

events on the valedictory day, along with felicitations.

Adapting to the New Normal: Covid-19 Pandemic and the Digital Future

Online Education

SJCC responded effectively to the challenges brought forth by the pandemic by implementing a few meticulously planned initiatives. Without much delay, the college shifted all the curricular and cocurricular activities to the online space. The college selected MS Teams as the online platform for conducting all the curricular and co-curricular activities, such as regular classes, examinations, evaluation, webinars, e-conferences, guest lectures, and cultural and sports activities. The admission process for the new batches was also completed online. The institution organized adequate number of training sessions for both the staff and students to facilitate the transition into the online mode. The shift of all activities to the online learning space allowed the faculty members to identify the possibilities in the online learning environment to improve students' overall learning experience. The faculty members took the necessary measures to involve students more actively in collaborative learning by designing innovative assignments and activities, and offering immediate feedback to students on assignments and other submissions. The Student Council Elections and all the other activities related to it, including the election campaign were also conducted online.

In times of prolonged lockdown, the institution paid due attention to ensure the emotional well-being of students and staff members through the initiatives of the Counselling Department and Campus Ministry. The Counselling Department of SJCC conducted regular online counselling sessions for students, and organized sessions on mental and spiritual well-being for the staff members. Also, the Campus Ministry conducted an online retreat for Catholic students. On the whole all these initiatives allowed the students and staff to deal with the personal and professional challenges came with the pandemic.

Commencement of Classes

SJCC commenced the activities for this academic year on 15th July 2021 for the 2nd and 3rd year UG and 2nd year PG students. The academic year started for the 1st year UG and PG students on 19th July 2021. Orientation sessions for all first-year batches were conducted online from 19th to 30th July 2022. Online classes continued till the second week of September. As an advanced measure to combat the challenges created by the pandemic, SJCC introduced Blended Teaching from 13th September for a period of one month. The college equipped all the classrooms with cameras having inbuilt speakers in all the classrooms to conduct the classes in blended mode. Training sessions for the faculty members on conducting blended classes were organized. Students from each batch attended the blended classes on campus two days in a week. The blended learning experience gave students and staff an opportunity to prepare emotionally and academically for the offline classes which commenced on 8th November.

Examination and Evaluation

The Examination Department of SJCC conducted the End Semester Examination from 2nd December onwards. The Department organized mock exams to allow students to get back to the practice of writing exams offline. Also, with a view to enhance the performance of student community and to help them efficiently handle the exam pressure, the college arranged regular revision sessions, and remedial classes. These well-structured initiatives allowed the students, especially those who needed additional academic support, to confidently prepare the End Semester Examination.

Sports and Cultural Activities

After the commencement of offline classes, the institution also organized seminars, conferences, guest lectures, and workshops across disciplines dealing with a wide range of topics. Also, the institution organized interclass and intercollege cultural festivals, association activities, and sports activities. SJCC organized Dhwani, one of the most popular intercollege cultural festivals in Bangalore, ENACT – a national level theatre festival, SPIEL – a city level sports festival, and business competitions like Chanakya and Virtuoso. Apart from these offline cultural and sports festivals, the College also organized two NSS Camps, Blood Donation Camps, Social and Industrial Visits, and a Cyclathon to create awareness on the need to reduce carbon footprint. These festivals, witnessed active participation from students from different states, and offered ample opportunities to participate in the ‘beyond the classroom learning’ – a unique aspect of the curriculum at SJCC.

Academic Programmes with a Futuristic Vision

All the programmes, such as the seminars, conferences, guest lectures and cultural activities that SJCC organized since the commencement

of online classes emphasized on the need to adapt to the new normal. Seminars and conferences, and guest lectures discussed diverse dimensions of the road ahead by looking at the ways to decode the changes affecting the contemporary Indian higher education sector, especially in the context of NEP- 2020. The events also addressed concerns related to the necessity for continuous innovation in the digital space, diverse aspects of new normal in travel business, and raised questions about the future scope of cryptocurrency. The discussions also shed light on the significance of devising a set of effective mechanism that synthesises both online and offline services. This enabled the institution to develop strategies to convert setbacks into comebacks and challenges into opportunities, in the new world that thrives on innovative practices.

All the above-mentioned systematic deliberations adopted by the institution enabled SJCC’s transition from offline to online and later back to offline environment.

BJES Twinning Programme

The twinning programme is an outreach initiative of BJES, to bridge the gap in learning and resources between the rural and the urban society. This collaborative work of fifteen sister Institutions in Bangalore is carried out, in order to reach out to the less privileged in its mission stations of North Karnataka. Each institution of BJES works with another Jesuit institution in rural Karnataka to share its resources and expertise. BJES has the following priority areas under this programme:

- To promote ‘Human Excellence’ in our institutions through interactions and mutual sharing of resources

- Collaborate to conscientize and empower the target groups in twinning centres
- Enhance health, hygiene and emotional well-being
- Skilled training for livelihood and employment
- Caring for Mother Earth by collaborating with our twinning partner
- Sharing of human and financial resources with our twinning partners to educate and empower people

Vision: Jesuits journeying together with our collaborators to build an inclusive society of justice, equality, reconciliation and fraternity by transforming individuals.

Mission: Rooted in God and in partnership with the people of goodwill, we journey together to educate and to bring about a radical transformation in the society by promoting the holistic development of individuals who uphold the values enshrined in our Constitutions and care for the Mother Earth, 'our common home'.

A four days Faculty Development Programme was conducted for the faculty members of Loyola College, Manavi. The FDP was held from 23rd August to 2021 to 26th August 2021. The FDP began with a General Orientation by the Ms. Sneha Rai and Dr. Raja Jebasingh, Vice Principals of SJCC. The faculty members of Loyola College visited the facilities at SJCC following which they attended a session on 'Introduction to Research' with Dr. Deepika

Joshi as the resource person. The next session was on 'Research Paper Writing' with Dr. Raja Jebasingh as the resource person. The faculty members were engaged with SPSS training workshop for the last two days by Dr Sridhar.

Leadership Camp for students from SJC, Hassan

A leadership Camp was conducted for 40 students from St. Joseph's College, Hassan. The camp was organised on 21st September 2021 at St. Joseph's College of Commerce, Bengaluru.

The leadership camp began with a team building session by Mr. Raj Sadhwani followed by a session on Theatre by Dr. T H Lava Kumar. On day two the students were engaged in a session on 'Students in Governance' by Dr. Nirmala Joseph and Dr. Veenu Joy followed by a street play titled 'Go Corona Go'. Also, the students were briefed on the College Associations of St. Joseph's College of Commerce by Mr. Vinay Kambipura. The students of SJC, Hassan interacted with the Student Council of SJCC, followed by a Campus Visit, the Leadership Camp ended with theatre activities.

In order to continue this association, the students were part of various Business and Cultural fests conducted by the Student Council of SJCC. They were part of revelations, Chanakya and Dhwani to name a few events.

Bembala

Bembala is a Community Outreach Programme designed for students of all institutions under Bangalore Jesuit Educational Society (BJES), initiated to realize the Jesuit Vision of life and education. SJCC envisions forming young men and women with a strong concern and commitment for the society they live in. The outreach programme consists of awareness building exercises, cleanliness drives, campaigns for social causes, social visits, and rural visits. After the pandemic subsided the Bembala team organized several social visits to old age homes, orphanages and government schools

and helped the community in their efforts at getting back to normal.

I. Webinar Series

As part of promoting awareness on mental health and well-being among students, Outreach Department organized a webinar series for 2nd year UG and PG students. The participants actively engaged in discussions and were able to share their views on the significance of mental wellness. All students submitted individual reports after attending the webinar. Bembala Team members assessed the reports and awarded academic credit points accordingly.

Internal Quality Assurance Cell (IQAC)

Annual Report

2021-22

2021-22

Internal Quality Assurance Cell (IQAC)

The Internal Quality Assurance Cell (IQAC) of St. Joseph's College of Commerce (Autonomous) ensures that all the academic activities conducted on campus adhere to the established policies of the institution and all the other agencies and academic bodies under the state and central bodies. The Cell also offers support to all the departments in the college in academic matters — specifically with regard to meeting the expected level of excellence. It functions with a view to raise the benchmarks in the educational practices of the institution by applying numerous time-tested pedagogical approaches that offer ample scope to the instructors and learners to go beyond classroom learning and conventional learning practices. The Cell also plays a central role in introducing initiatives that cater to the holistic development of the student community, focusing primarily on quality enhancement in teaching, learning, evaluation, research, extension and consultancy activities.

Autonomy Status Extension

This academic year SJCC applied for the extension of its autonomous status. The A++ grade with a CGPA of 3.57 was awarded to the institution in the fourth cycle of NAAC accreditation makes it eligible for applying for the extension of autonomy up to ten years without conducting the onsite visit. Therefore, SJCC's autonomous status was extended for a period of ten years till the academic year 2031-2032.

Participation in Rankings

SJCC successfully completed the AQAR submission procedure by 24th February 2022. The college submitted details of academic activities conducted during this academic year to several top-notch college ranking frameworks i.e., ARIIA, NIRF — set up by the Ministry of Education, India, and submitted the report to AISHE portal on 18th February 2022. Also, the institution submitted the data for the surveys conducted by India Today and The Week Hansa.

Feedback

IQAC, through a structured feedback mechanism, annually collects the feedback from various stakeholders of the institution — teachers, students, employers, alumni and parents. Feedback from the aforementioned stakeholders and the subsequent actions taken play a significant role in improving the quality of the practices followed in the institution, and is instrumental in developing the plan of action for the upcoming academic year. The Cell submitted a detailed report to the Principal's Office after analyzing the feedback.

The Parent Teacher meeting for the first year B. Com and BBA students was held on campus on 26th February, 2022. Also, the class mentors organized

virtual meetings with parents/guardians who could not attend the Parent Teacher Meeting in person.

Open House 2021-22

The Open House is a forum which is conducted by the IQAC at the end of every Academic year to collect feedback from the students. Student representatives from all classes and associations of the undergraduate and postgraduate programmes attended the 2021-2022 Open House. It was conducted on 9th May 2022 in three batches at 10 am and 11: 30 am for the first and second batch students. The Open House for the members of Women's Forum was held on 10th May at 11 am. around 180 students attended the Open House.

The Open House discussions were conducted on the basis of the parameters mentioned below:

- Curriculum development of the college
- Teaching and learning methods, specifically tools, syllabus completion and course structure
- Learning and evaluation process
- Infrastructural facilities, such as WIFI connection, ICT tools used in classrooms, cafeteria, computer labs, and washrooms
- Feedback on cocurricular and extracurricular activities
- Placement facilities

PARAMARSH

Paramarsh is the UGC scheme for mentoring NAAC Accreditation aspirant institutions to promote quality assurance in Higher Education. SJCC was identified as a mentor

institution under this scheme and the college had adopted 6 mentee institutions under the PARAMARSH scheme. This academic year, faculty members and students from St. Joseph's College, Hassan (mentee institution) visited SJCC campus from 7th to 14th September 2021 to understand the student support practices and extension activities. Faculty members from Loyola College, Manvi, (mentee institution) stayed at SJCC for a period of two weeks from 23rd August to 4th of September 2021 to learn the complete process of NAAC, the best practices and research activities of the institution. The extension approved for the scheme under PARAMARSH ended on 30th September, 2021. The college successfully completed the requirements of the scheme and assisted the six mentee institutions in implementing several best practices.

International Virtual Conference on 'Enhancing Teaching Competencies through Professional Ethics'

IQAC of SJCC organised a 2 Day International Virtual Conference on 'Enhancing Teaching Competencies through Professional Ethics' (ETCPE2021) on 7th and 8th October, 2021. The conference was a maiden academic interface, collaboratively organised by the institution and Globethics.net Foundation, headquartered in Geneva, Switzerland, after signing a Cooperation Agreement this year. Globethics.net is an international organization committed to furthering its vision of ethics in higher education and provides a unique platform for knowledge sharing.

Dr. Charles Lasrado SJ, Principal, welcomed the participants. Rev. Dr. Jose Nandhikkara, National Director, Globethics.net India spoke about the necessity of making learning accessible, besides touching upon the four pillars of learning. Prof. Goh Kim Chuan, former faculty member at the University

of Science, Penang Malaysia, University of Brunei and National Institute of Education, Nanyang Technological University, Singapore, was the Keynote Speaker. He reflected on the assessment levels of knowledge application and the need for HEIs to inculcate practices of knowledge dissemination blended with ethical values. Dr. Ignace Haaz, Programme Executive Online Ethics Library, Publication Manager, Globethics.net Geneva, Switzerland introduced the unique resources available at Globethics and acquainted the audience on how the resources could be accessed to optimize their efficacies as teachers and knowledge facilitators.

The first speaker for the second day Dr. Joye James SJ, Secretary, Jesuit Higher Education, South Asia emphasised on the need for the teachers to prioritise the emotional well-being of the students. Dr. John Methuselah, faculty member at the Adikavi Nannaya University, Rajahmundry, AP focused on the role of the educators in propagating ethical code in the society, and critically examined the violation of ethics in the academic world. Ms. Christine Housel, in-charge, Donor Relations and Strategic Partnership, Gloebthics.net, Geneva, Switzerland accentuated the need for a holistic approach to ethics, especially within the context of higher education.

The paper presentations in the conference converged on ethical values in higher education emerging from an array of researches based on adult education, interpretation of ethics in contemporary narratives, the implications of the National Education Policy-2020 to maximising well-being and happiness for learners and educators.

The conference received 708 registrations from across the globe including Kenya, Saudi

Arabia, Switzerland, Muscat, Abu Dhabi, Sharjah, Croatia, Singapore, Malaysia and India.

IQAC also completed the following activities in the academic year 2021-2022:

- a) IQAC conducted the Student Satisfaction Survey for the academic year 2020-2021 in November 2021.

The students will have hands on experience using Hindi IT tools. In addition, as per the NEP committee recommendations, Open Electives for the first semester and second semester of B.Com & BBA will be introduced. In the first semester Communicative Hindi will commence, and in the second semester Globalization & Hindi Literature will be introduced as per the NEP curriculum model. Also, in the first semester a basic Functional Hindi will be proposed to students who are interested to learn Hindi, especially for non-Hindi students. The internal and external assessment ratio will be 40:60 in compliance with the NEP mandate.

Outcome Based Education

The Institution follows Outcome Based Education (OBE) model of learning that has created the space for the institution to redesign its curriculum, teaching-learning process and assessment. In order to create an outcome-based curriculum, the institution's specific Programme Education Objectives (PEOs) were first designed. These objectives led to the development of Programme Learning Outcomes (PLOs). Programme Education Objectives and the Programme Learning Outcomes form the base for the development of the curriculum containing multiple courses, each with specific objectives. Course Objectives help in deriving the Course Learning Outcomes (CLOs), the competencies required and indicators of the same. At SJCC, the

Programme Educational Objectives, Programme Learning Outcomes, Course Objectives, Course Learning Outcomes, competencies and its indicators are aligned with the vision and mission of the institution.

The OBE Committee of SJCC redesigned the OBE Framework in compliance with the directives recommended by the National Education Policy 2020. The restructuring of the Curricular Framework helped the institution to offer Programmes as per the National Education Policy from 1 October 2021. The Curricular Framework of all the Programmes and syllabus of the Courses have been revised according to New OBE Framework. The new Outcome Based Education framework is comprised of the revised Graduate Attributes (GAs), Programme Education Objectives (PEOs), Programme Learning Outcomes (PLOs), Course Objectives and Course Learning Outcomes (CLOs). Hence, the Commerce, Business Administration, Languages, and Post Graduate Departments at SJCC restructured the syllabuses of the courses pertaining to all NEP batches along with the teaching-learning practices and assessment methods in alignment with the revised OBE Framework.

Interdisciplinary Approach

SJCC aims to find new ways to expand the horizons of knowledge through innovative teaching-learning practices. An interdisciplinary nature is imperative to any curricular's framework. Students pursuing both Commerce and Business Administration Programmes at SJCC are expected to complete certain number

of Core Papers in their respective field of study. Apart from the Core Papers, students are offered open elective papers from other fields of study, including Theatre, Arts and Literature. This offers students an opportunity to familiarize themselves with different fields of study to understand the world around in a better manner. Some of the Core Papers have been redesigned as interdisciplinary papers to enrich the understanding of different subjects, like the way the Business Ethics paper is designed — in this Paper concepts related to ethics in the field of business and commerce are discussed through literature. The students feedback suggests that this practice helps students in understanding the concepts and also to involve actively in the learning process.

Practice Orientation

The industry demands skilled professionals who can adapt easily to the dynamic work environment. Classroom teaching equips students with the necessary conceptual skills. The procedural skills are required in the field of commerce, and to get an exposure to the industry practices. In this regard, the practice orientation for industry is introduced into the curriculum, in a phased manner, spread across the entire Programme. In the first and the second academic years, students go on industrial visits to familiarize themselves with the work processes. After completing two years, the students are expected to do a six-week internship, which will be evaluated by the college. The Second year Master's students are allocated an entire semester for internship. They are mentored and

guided by the faculty members. Thus, the practice orientation allows the students to become familiar with the work atmosphere and equips them with the necessary skills.

Student Research Engagement

Research orientation is included in the curriculum for the graduate and postgraduate programmes. The Research Centre of the college, along with the subject teachers, guide and mentor the undergraduate and postgraduate students in research work. Research Methodology Paper is taught as part of the curriculum. Students are motivated to take up independent research projects, and the research carried out by students in the form of case studies and research papers are compiled, edited and published by the college. Students are encouraged to engage in research in the field of Commerce and Business Administration with an orientation to support the society in dealing with the diverse challenges. Research culture is an integral aspect of the curricular framework of the institution. The dissertations along with minor and major research projects allow students to become industry-ready.

Curriculum Enrichment

Holistic development of students is the central focus of education imparted at SJCC. With programmes such as BBA (Entrepreneurship), B.Com (Professional International Accounting) B.Com (BPM-Industry Integrated), B.Com (Analytics), B.Com (Professional – Strategic Finance) and B.Com (Travel and Tourism). The holistic learning practices followed by all

the departments in the institution enhance the scope of employability among the students. The curriculum is also enriched with courses like Advanced Excel, Tally, SPSS, Financial Modelling, R Programming and SAP, to give the students hands-on experience with skills that enable easy transition into the desired careers.

MOOCs

Massive Open Online Courses (MOOCs) are free online courses available for any aspirant to enrol. MOOCs have dramatically changed the way the world learns. MOOC platforms offer students an opportunity to pursue variety of multidisciplinary courses that would enhance students' skills.

The institution has restructured the curricular framework with a view to allow students to pursue the MOOC courses. In this regard, students pursue courses offered by SWAYAM under the Open Elective Course category.

Open Elective courses available on MOOC platforms are chosen by the students every semester, four hours per week is allotted for the students to complete the assignments and tests assigned by the Course Instructors of the courses registered.

Students started enrolling for MOOCs from June 2021, for the odd semester 2021-2022. There were a few mandatory specifications for the students to follow while enrolling for the courses in SWAYAM. The same was followed for even semester as well. Students have selected courses ranging for a period of minimum 12 weeks. It was communicated to students who

enrolled for the MOOCs that it is mandatory to take up the examination scheduled in SWAYAM to become eligible for receiving the certificate.

Evaluation Procedure

VIVA: 50 marks will be evaluated based on the viva conducted by the internal faculty members and the remaining 50 marks will be finalized on the basis of certificate received.

Teaching-Learning Process

It is the institution's constant endeavour to enhance and improve the teaching- learning process, by adopting innovative pedagogical methods. Every teacher is encouraged to combine traditional and innovative methods of teaching and learning. Although the teacher's role is central in controlling and directing the activity involved in a pedagogical method, emphasis is laid on the experiences and experiments of the learners too. Subject specific research for students, simulation games, role plays, case study analysis, rural camps, rural exposure programmes, social visits, internship programmes, articleship programmes and industrial visits are some of the many innovative pedagogical methods adopted.

The Covid-19 pandemic affected every aspect of human life and changed the very definition of 'normalcy'. Educational institutions were affected very badly as the entire educational process had to be migrated to online space. Institutions that did not have the necessary infrastructure and training found it difficult to adjust to the new mode of teaching and learning. Teachers had to reinvent their teaching strategy and adapt themselves to the digital world. Students had to adjust to the online spaces and reorient themselves in order to concentrate during the online classes. Apart from learning how to interact using technology teachers and students had also to deal with the economic, social and psychological impact of the pandemic and lockdowns.

St. Joseph's College of Commerce took lead in developing a safe and interactive online classroom. The institution very quickly set up the infrastructure required for online classes and developed a policy for the conduct of online classes. The teaching and administrative staff were given a thorough hands-on training to set-up online classes and develop a new online teaching strategy. Students were given several rounds of orientation to help them to login and attend online classes. Standard protocols, guidelines and FAQs were developed along with setting up of helplines for students.

The online classes demanded a new teaching-learning strategy. The institution conducted several brainstorming session and faculty development programmes and held wide ranging consultations to develop new teaching and evaluation strategies. The result was a range of innovative teaching and evaluation practices well suited for an online environment. Teachers and students were made familiar with new online tools that would help them in the teaching-learning process.

Dr. Dileep Kumar Shetty received his PhD degree from Mangalore University on 23rd of April 2022.

Dr. Veenu Joy received her PhD degree from Bharathiar University on 23rd of February 2022.

Teaching Community at SJCC

Faculty Profile

Teachers are an indispensable part of any educational institution, owing to the crucial role they play in imparting knowledge and honing the minds of students for a variety of challenges. St Joseph's College of Commerce prides itself on having highly proficient teaching faculty who strive relentlessly towards upholding the values and beliefs of the institution. The faculty work towards creating an environment that is conducive to learning, by adeptly disciplining students and guiding them towards the right path for a brighter future.

The faculty members of St. Joseph's College of Commerce have consistently proven their excellence and outstanding merit through their academic achievements and endeavours. Their research performance, teaching abilities and their valuable contribution to higher education have set an example for all. Apart from this, their earnest curiosity, determination and academic interests have driven them to achieve new milestones. The college has a total of 118 full time teaching faculty and 21 visiting faculty.

This academic year 6 new faculty members were inducted.

1. Mr. Raj Kiran S
2. Mr. Prakash Raju
3. Ms. Priyadarshini S

4. Ms. Bhargavi C.S
5. Ms. Sagaya Swetha N Joseph
6. Ms. Ronisha Priyanka D'Silva

Visiting Faculty

The visiting faculty of St. Joseph's College of Commerce consists of experienced industry experts and professionals of various career paths in Commerce and Business. Their lectures help bridge the gap that exists between the academia that engages a student in college and the career path after the completion of their education. Their insight from the various professional fields caters to the needs of the students of professional courses on our campus, as well. The visiting faculty allows for the institution to prepare the students for the real world of business and commerce, thus rendering them industry-ready and highly employable.

Seminars, Conferences and Workshops

a) International Webinar Series on Sustainable Development Goals - 2030

The International Webinar Series on Sustainable Development Goals-2030 was inaugurated in the academic year 2020-21 with an objective of organizing international webinars on sustainable development goals by inviting eminent speakers. Three episodes with titles 'Synergising Sustainable Goals: Envisioning the Future We Want', 'Can We Achieve the SDGs Without Human Rights?' and 'Child Rights in The Conflict Zones of Asia', were organised in the previous academic year. This year two episodes were organized which invited participants from all over the world. Along with the webinars, the IWSSDG team had organized podcasts, discussions and other events.

Episode Four

The fourth episode of IWSSDGs-2030 **"Accelerating and Revitalising Grassroot Level Education: A Perspective on India and Africa"** was held on 19th November, 2021. Creating awareness on the reality of the education system at the grassroots and rural level has become very important in the context of development. The webinar received an overwhelming participation of more than 500 people across globe from different sectors.

The speakers of the day were Mr. Kassaga James Arinaitwe, Co-founder of Teach for Uganda and Ramesh Balasundaram, Co-founder of Bal Utsav and the session was moderated by Dr. A Alan Godfrey, Assistant Professor at St. Joseph's College

(Autonomous). The webinar focussed on the challenges faced by the children in different parts of Africa and India which pose a great obstacle in the path to achieve the SDGs. Mr. Arinaitwe shed light on the hurdles in the path of educational development in Africa, especially in Uganda. Similarly, Mr. Balasundaram highlighted the efforts undertaken by Bal Utsav to increase enrolment in the primary schools, especially of the girls. The vast experience of the panellists in the field of education made the conversations informative and enlightening. The panel discussion was broadcast live on YouTube for the participants across the globe.

Episode Five

The fifth episode of IWSSDGs-2030 titled "Women, Nature and Sustainability" was held on 8 March 2022, in the online mode. The speaker for the day was Ms. Nafisa Barot, the founder and former Executive Director of Utthan, a public charitable trust in Gujarat, India. Ms. Barot delivered a talk titled "Are we listening to women and environment?"

The talk focused on the speaker's experience with the rural women in Gujarat, especially in the Bhal region where her organisation has supported women in accessing clean and hygienic water for domestic and other community usage. The talk delivered the message that women and nature are inseparable and women are closer to nature and hence are capable of sustaining environment and preserving natural resources much in the way they take care of their families.

Sustainable Fridays and The Sustainable Grid – Podcast

Sustainable Fridays tell the stories of individuals who made the effort to be the

change this planet requires. Every Friday a thirty-second video is released describing how these individuals are doing their part to save the planet. Their stories are a true inspiration to the young generation and encourages action.

Various individuals working in the field of sustainability are brought on to start a dialogue on subjects that are easily overlooked by the general public. They provide the listeners with anecdotes from their experience in the field and voice out suggestions that can be implemented in everyday lives.

The Keynote Address was delivered by Dr. K. Kasturirangan, Indian space scientist and Former Chief of Indian Space Research Organization (ISRO), Chairperson of the NEP 2020 Drafting Committee, Chairman of Curriculum Development National Curriculum Framework (NCF), and recipient

of three major civilian awards. The Keynote Address was followed by two technical sessions. Session one titled, ‘SDG4- Flexible Learning Pathways in Higher Education Without Compromising on Quality and Sustained Learning’ was chaired by Dr. Moses Satralkar. The second session titled ‘Decoding Contemporary Changes Affecting 21st Century Higher Education in India: In the context of NEP-2020’ was steered by Dr. Chetan Singai, Associate Professor, School of Social Sciences, M.S Ramaiah University of Applied Sciences, Bengaluru.

The conference witnessed 295 participants including faculty members and research scholars representing different colleges across the nation.

Session One

Session one titled, ‘SDG4 - Flexible Learning Pathways in Higher Education Without Compromising on Quality and Sustained Learning’ was chaired by Dr. Moses Satralkar. The speaker shed light on different patterns and priorities practiced by different countries in order to ensure flexibility in learning. He spoke about how people who join higher educational institutions in countries like UK practice a routine of 3-day work and 3-day study week. He compared this scenario with that of the practices followed in countries like India. The Speaker mentioned how NEP makes the education system more flexible by allowing students to pursue dual courses, courses from MOOCs, and Coursera. Dr. Satralkar also highlighted about twinning programmes and the extended scope it offers to students in gaining multicultural experience.

Session Two

The second session titled ‘Decoding Contemporary Changes Affecting 21st Century Higher Education in India: In the

context of NEP-2020' was steered by Dr. Chetan Singai, Associate Professor, School of Social Sciences, M.S Ramaiah University of Applied Sciences, Bengaluru. The session emphasized on the theme 'Research and the Changing Role of a Teacher in the light of NEP - 2020'. He stressed on the vision of the National Education Policy 2020 i.e., to achieve 100% gross enrolment ratio in school education by 2030. Dr. Singai highlighted the role of NEP 2020 in creating a conducive environment for research. He also shared his outlook on diverse academic reforms — need for more multi-disciplinary options to students, implementing more student centric learning practices, continuous faculty development initiatives, and National Research Organization.

The conference witnessed 295 participants including faculty members and research scholars representing different colleges across the nation. The event was covered by the Daily Newspaper, and Indian Express, Bangalore.

o) Media and Society Lecture Series

The term 'media' has an expansive meaning in today's socio-political and cultural context. It may refer to a piece of paper on which news is printed or to a political advertisement that pops-up while browsing the latest TV show on the internet. Media acts as a tool to manufacture consent and at the same time, it is the very space where such 'manufacturing' can be resisted. Hence, understanding media is crucial to understanding the modern world that is saturated with information.

The Media and Society Lecture series has been designed to help students understand the dimensions of media and society. The inaugural lecture titled 'Indian Media Today: The Dynamics of News Ecosystem' was delivered by Mr. Hartosh Singh Bal, Political Editor of the Caravan magazine on 24th August 2021 at 11 am. The lecture was followed by a Q&A session where our students raised their doubts and concerns regarding how the media generated discourses, especially the narratives emerging out of the news eco-system, influence human experiences in modern society.

p) Annual Republic Day Lecture

The Annual Republic Day Lecture Series, hosted by the Department of English, is now into its fourth edition. Every year a renowned public intellectual is invited to deliver a lecture on contemporary socio-political and cultural challenges. The earlier editions of this lecture series has featured Prof. Rajendra Chenni, Prof. Anand Teltumbde and Prof. G N Devy. This year the lecture titled ‘: Socio-political and Cultural Challenges in Contemporary India – A Personal Reflection’ was delivered by Ms. Patricia Mukhim, a renowned journalist and editor of Shillong Times.

Department of English

The Department has included several film texts as part of the syllabus over the years. This year, Choma's drum, the English translation of Chomana Dudi by Shivaram Karanth was part of the Additional English Syllabus for the fourth-semester students. The film adaptation, sometimes referred to as a translation as well, directed by BV Karanth was screened in Loyola Hall for the students. The screening was followed by a student-moderated discussion with the filmmaker Mr Ashok Maridas.

Examination and Evaluation

Annual Report

2021-22

2021-22

Examination and Evaluation

The year 2021-2022 was a year filled with a lot of uncertainties due to Covid-19 with offline and online mode of classes. Only after February 2022 the regular offline classes resumed.

Performance in examination continues to be a fundamental aspect of every student's academic life. Hence, St. Joseph's College of Commerce attributes considerable significance to the examination and evaluation process. Considering this, the Examination Department at St. Joseph's College of Commerce convened a series of meetings with the Exam Committee, the Total Quality Management Committee, and various other stakeholders. These meetings were instrumental in conducting the examinations in a hassle-free manner. The Department also organized an orientation session for students in order to familiarize them with the rules & regulations that need to be followed during the End Semester Examination.

Exam Department External Audit Report 2022

An External Audit of the Exam Department was organized by the IQAC on 22nd January, 2022. Dr. N. Arun Nagendran, former Controller of Examinations and IQAC Coordinator, Thiagarajar College, Autonomous, Madurai, and Professor Vijay Kumar, Controller of Examination, Sri Ramakrishna College of Arts and Science, Autonomous, Coimbatore were the members of the Audit Team. The suggestions and recommendations given by the Audit Team were scrutinized by the Examination Department, and the necessary actions were initiated.

New initiative 2021-2022: *Summa Cum Laude* and *Magna Cum Laude* Certificates

It has been observed that there is a constant increase in the number of students applying to the foreign universities. Most of the premier universities abroad expect students to produce evidence to prove that they figured under top 10% in the Undergraduate Examination. Considering this point, the Exam Department designed special certificates similar to the Latin Honors *Summa Cum Laude* and *Magna Cum Laude*. *Summa Cum Laude* certificates are awarded to top three students in the Undergraduate Examination and *Magna Cum Laude* to students who are placed within the top 10% category.

This initiative will be applicable to all batches of UG&PG students from the academic year 2019 and 2020 based on their total CGPA.

The End Semester Examination

The Odd Semester Examinations were conducted in two phases.

First Phase

The first phase of the End Semester Examination (ESE) was conducted for B.Com and BBA Undergraduate and Postgraduate programmes from 2nd to 15th December 2021. However, exams were not conducted for the first-year students of all the NEP Undergraduate batches as the commencement of classes was delayed.

Second Phase

The second phase of the End Semester Exams was conducted for all the first year NEP batch students from 12th to 25th March 2022.

Even Semester Examinations 2021-2022

The Even Semester Examinations for all batches across programmes will be conducted from 11th June to 25th June 2022.

Research Culture at SJCC

Annual Report

2021-22

2021-22

Research Culture

Research is an integral component of academic excellence at SJCC. College facilitates research in three significant manners:

- Individual Research — faculty members and students pursue research individually/jointly.
- Departmental Research — respective departments motivate students to undertake research on contemporary issues in the field of Commerce, Management and Humanities,
- Seed Money Project — faculty members conduct research on apostolic preferences to support social causes.

Department Research

B.Com, BBA and PG departments attribute great importance to research. These departments have formed exclusive associations to nurture the research culture among students. Mainframe Research Forum is an initiative of B. Com Department aimed at helping the students develop an ability to effectively engage in research. Also, to guide them in the entire process by organizing guest lectures, workshops and training programmes in the field of computer software and formatting.

The Quest Club of BBA Department helps students with logical reasoning and critical thinking. The club organizes programmes like Nirmana that allow students from BBA Department to learn the required research skills. The activities of the club supplements the skill set of students in the field of research.

The PG Department organized a one-week Training Programme in order to give an overview of research to the students working on the dissertation. A training programme was conducted to offer hands on training to students in learning SPSS and writing Literature Review was conducted for the students. The Department also organized a one-day session for students on the use of E-resources and library databases to conduct research.

Individual/Joint Research:

SJCC faculty members published/presented their research outcome at various platforms of national and international repute. In this academic year the faculty members participated in 130 seminars/conferences/FDPs, published 23 research articles, and authored 2 books. Two project proposals funded by ICSSR are under progress, and the findings will be submitted to the committee concerned soon. The faculty members were part of Review Committees and Advisory Committees of reputed conferences and journals. They shared their expertise in the field of research, in the capacity of Conveners, Resource Persons, and panellists at conferences and seminars in various institutions across the country.

3 BJES Seed Money projects approved

2 ICSSR projects ongoing

1 ICSSR project completed

2 book publications

23 research paper publications

127 FDPs/Workshops/Conferences

Institutional support: The College strives to maintain a strong research environment by funding various FDPs, workshops and training programmes. Research Centre of SJCC coordinates all PhD related activities of Bangalore University pertaining to the institution. Currently, 4 faculty members have begun working on the research projects. College administers the funds received from diverse government institution like UGC and ICSSR for minor and major research projects. The College management and BJES award seed money to relevant research proposals in the field of Social Science.

Research Centre

St. Joseph's College of Commerce (Autonomous) was recognized as a Research Centre by Bangalore University in the year 2010. The Research Centre follows the Research Policy of the institution to develop and maintain a research-friendly environment among students and faculty members. The Plagiarism and Malpractice Policy ensures commendable standards of ethics in research conducted in the college. The BJES seed money policy helps the Research Centre in mobilizing the research fund granted by the institution.

The following are the members of Research Advisory Committee:

S. No.	Name	Designation

Activities and Achievements of the Research Centre in the Academic Year 202-2022

Research Centre renewed its Research Centre status under Bangalore City University for next five years.

Programmes Organized by the Research Centre

I. Government Sponsored Events

a. AICTE Sponsored Faculty Development Programme:

In its endeavour to enhance research-oriented teaching pedagogy, a five-day national level Faculty Development Programme was organized by the Research Centre from Oct 25 – 29, 2021. The programme was sponsored by ATAL Academy, a unit of AICTE. Dr. Deepika Joshi was the Course Director of the Faculty Development Programme. The key objective of the FDP was to help the researchers structure a case study and choose the right journal for publishing the case study. Learned professionals from IIM Calcutta, IIT Lucknow, NIT Hmripur and VIT Vellore delivered the 14 sessions on topics related to their area of expertise. 200 participants from nine different states of the country participated in the FDP.

b. ICSSR Sponsored Experiential Training Programme:

With an objective to expose scholars to various elements of Research Methodology, a Seven -Day Training Programme was organized by the Research Centre from 18th April 2022 to 24th April 2022. The programme was sponsored by Indian Council of Social Science Research Southern Regional Centre, Hyderabad.

Experienced professors from IIM Raipur, Pondicherry University, and PSG institute of Management conducted sessions on selected topics. IV. Research Programme for the PG and UG Department

a. Experiential Training Programme on Research Methodology:

Research Centre of SJCC in collaboration with PG Department organized a six-day long experiential training programme for M.Com final year students from 1st September 2021 to 7th September 2021. The programme was organized with a view to enhance the research related skills of PG students and prepare them to undertake the dissertation work confidently. Seven sessions on various topics like research design, questionnaire construction, hypothesis testing, ethics in research, plagiarism policy of SJCC and UGC and writing the dissertation thesis and research articles were covered during the programme. Five faculty members from SJCC shared their knowledge and expertise with the students.

b. Workshop on Basic of Research Methodology for UG students

A Two-day workshop was organized on 17th and 21th September, 2021 for the BBA and B. Com students. Students of Quest Club and Mainframe Research forum participated in the workshop. They were trained on research, problem identification, hypothesis construction, questionnaire development, data collection and various data analysis techniques.

V. Guidance to the Departments

The Centre extends guidance to the Undergraduate and Postgraduate Departments in organizing the conference, workshops and seminars. The Centre provided support to the departments by reviewing the papers, compiling compendiums and also helping them with plagiarism check to follow publication ethics.

VI. Expert Review Committee Meeting – BJES Seed Money Projects

The Centre extended support by organizing Expert Review Committee meeting to scrutinize the proposals submitted by faculty members under BJES Seed Money Projects. Subject experts, Dr. Mohan Philip Associate Professor, Dr. Sheela, Associate Professor and Dr. Rajajeba Singh Assistant Professor at SJCC conducted the internal review on 25th and 26th February, 2022. XI. Research Internship: Innovative Step to Involve Students with Research Centre

One of the key goals of the Research Centre is to create an ecosystem conducive for research among students. The Centre started the Research Internship for the interested M.Com students and the proposal was highly appreciated by the Board members of the PG BoS. Interested students can apply through an application form. At the first stage, their research aptitude is evaluated through an entrance test followed by a research proposal presentation. Internship duration is from 4-8 weeks. After submitting the research report, students will be issued with a certificate signed by the principal. The Research Internship will start from July 2022. This initiative offers an opportunity to the curious students to involve them in research related activities. This short-term exposure to research will help students broaden their perspective on the issues and challenges faced by societies, industries and governments.

Innovation Ecosystem

Annual Report

2021-22

2021-22

Innovation Ecosystem

St. Joseph's College of Commerce has consistently strived to create an ecosystem that promotes innovative thinking among the students and faculty. This ecosystem is comprised of a symbiotic relationship between the various stakeholders of the college: industry, government, academia, and the society. Education at this college provides a platform for students to learn not just from the textbook and classroom lectures but also through interaction with industry experts, experts from professional bodies, academic scholars, social thinkers and activists and government representatives.

Such an ecosystem has been made possible through a long-term vision and mission towards collaboration with international and national universities and colleges of repute, leading industries in the field of commerce and management, professional bodies and NGOs. The curriculum and syllabus for the programmes have been designed in consultation and collaboration with these stakeholders.

Apart from these the college has devised special programmes to motivate and support young entrepreneurs. As a result of industry collaboration, the college also works as an incubation centre which gives students a space for pitching innovative ideas and working towards executing them.

An innovation ecosystem thus created contributes to a holistic development of students and helps them to be leaders in their professional career.

Institutional and Industry Collaborations

The Institution has entered into various Exchange programmes, International Academic Partnerships, Partnerships with Professional Institutions, Industries and NGOs to foster a global culture of educational excellence and to create an environment of innovative learning. The below listed are the Institution's major collaborations to realize its commitment to Academic Excellence, Character Formation and to reach out to communities and individuals who are socially and economically deprived.

International/National Academic Partners

St. Joseph's College of Commerce has paved the way for international exchange programmes through its international twinning initiatives, Cultural Exchange and Summer Abroad Programmes. These programmes are an enriching and refining experience at many levels. They steer personal and professional development among students by kindling creative ideas, strengthening relationships and instilling cultural sensitivity. In recognition

It is towards this commitment and faith that the Institution encourages its students to work along with NGOs and with no –profit organizations in India, who work in different fields for the cause of the underprivileged. Students take up social internships as it helps to portray their leadership skills and develop their ability to make a change in society. Some of the NGOs and organizations where our students have contributed to the cause are Centre for Amenities, Rehabilitation and Education (CARE), Teach for India, Bosco, Old age homes, Ingenious Faces, Collective Action for Basic Rights Foundation (CBRAF), primary schools etc.

Associations like CSA, NSS, AICUF, Eco Club, Rotaract, Hashmi Theatre Forum,

Kannada Sangha and E-Cell conduct many programmes in collaboration with the above-mentioned NGOs.

Innovation and Incubation Centre

About IIC:

- Innovation and Incubation Centre at St. Joseph's College of Commerce has also signed a Memorandum of Understanding (MoU) with St. Joseph's Evening College, Bengaluru, India. The intention behind this MoU is to encourage the dissemination of knowledge and innovative practices in both the institutions, in the form of FDPs, and interactive sessions. The two institutions also intend to encourage the entrepreneurial mindset among the students and fostering a startup ecosystem in both the campuses.

a) Session on Copyrights in Social Sciences & Humanities

The Innovation and Incubation Centre of St. Josephs College of commerce hosted a session on IPR on 3rd March 2022. 40 faculty members participated in the session.

The first speaker was Mr. Jnana Teja, IP Attorney & Patent Agent of India (IN PA 3704), Research Associate at the DPIIT Chair on IPR under Ministry of Commerce and Industries at NLSIU Bangalore. He spoke about IPR and patents.

Mr. Divyesh Pratap, Senior Research Fellow at the National Law School of India University (NLSIU), Bengaluru was the second speaker for the session. Mr. Divyesh formerly served as a Research Officer in the NLSIU's Commons Cell and continues to be a part of the activities organized by NLSIU's Research Centre. He explained various aspects related to copyright law.

The speakers also stressed on the rights of the copyright holder, such as copyright

for research papers, PhD thesis, research projects in social sciences and humanities. They offered insights on patents and how it is an exclusive right granted for an invention.

b) Interactive Session on Fundamentals of Intellectual Property Rights

The interactive session on fundamentals of intellectual property rights was conducted online on 26th August 2021 which witnessed thirty-six participants. Dr. Rene Robin CR, Professor, Author, Social Activist, Sairam Group of Institutions was the guest speaker for the session.

Professor Robin spoke about the importance of Intellectual Property Rights and highlighted how start-ups and IPR are the pillars of higher education institutions. He also emphasized on the measures taken by governments is promoting IIC in all institutions. The speaker also stressed on the significance of the ATAL certification and different types of IPR namely, patents, trademarks, and copyrights.

c) Quarterly Mentors Meeting

The Innovation and Incubation Centre of St. Josephs College of Commerce held an interactive session on 13th August with Dr. Charles Lasrado, SJ, Principal of St. Joseph's College of Commerce, mentors, — Mr. Shashi Lewis, Mr. Phill, Mr. Sriram, Mr. Lawson, incubates, and the core team.

The meeting commenced with all the incubates introducing themselves and sharing the details about their small businesses. The mentors and faculty

members were happy to see the young minds working so hard at their ventures. Father Principal then interacted with all the students and each student was given a chance to speak to all the mentors.

d) Mentoring Workshop for the Pre-incubates

The Innovation and Incubation Centre hosted a 3-day mentoring workshop on 25th, 26th, and 27th August 2021 from 4:00 pm – 5:30 pm for the pre-incubates. The workshop was led by Mr. Shashi Kiran Lewis, mentor for the incubates at IIC, SJCC.

In the first session Mr. Shashi Kiran Lewis briefed the participants about the college motto *fide et labore*. He motivated the participants to write down their business plans in a book and read it every morning as soon as they wake up. He then gave them tips, such as creating databases of their work and being well aware of their surroundings. He also emphasized on being consistent with the goals on a day-to-day basis.

The 2nd session was held on the following day wherein the students were given an opportunity to explain the ideas they had in mind, the challenges that they may face while executing their business ideas, and more significantly to express their business. Mr. Lewis highlighted to the students how working with an expert in the field of their interest would help them in understanding the loopholes, and idea about market demand which would be useful in placing the product/ service rightly.

On the 3rd day of the workshop, Mr. Lewis reached out to those students who did not have any concrete business idea, but were enthusiastic about starting an entrepreneurial career. He discussed about the ways to develop an idea and go about the SWOT analysis.

Fifty-two students attended the workshop and the following students were selected for phase 2:

1.	Rachel Joseph	21SJCCB247
2.	Teresa George	20SJCCB066
3.	Haron Kishor	21SJCCC618

National Desk

St. Joseph's College of Commerce has always strived for excellence in providing holistic education by fostering collaborations with institutions and organisations of high value and repute. The college has an active National Desk to facilitate the collaborations of the institution within the country. Apart from the existing collaborations, the following are some of the MoUs signed this academic year.

E-Cell

The Entrepreneurship Cell of SJCC is focused in providing a platform for nurturing the aspiring entrepreneurs in the college by providing them training, sessions, mentoring. For an entrepreneur to get his work out, networking plays an important role. With this aspect, the association had discussion with various entrepreneurship cells of reputed colleges across the country. Two MoU's have already been signed with E-Cell, Indian Institute of Technology, Mumbai in the month of September and E-Cell, St. Joseph's College, Bengaluru on the 10th of January 2022. The main purpose of the MoU's is to offer both the institutions a wider reach for the events being conducted and to have active participation and support in the same. The MoU's help the students have a wider network of connections and have helped them have fruitful discussions and engagements. The E-Cell is focused on having further events conducted with the help of the collaborating institutions that help the students to understand various aspects of business such as funding and financing, logistics, marketing, block chain, investing and trading.

Innovation and Incubation Centre (IIC)

Innovation and Incubation Centre at St. Joseph's College of Commerce aims to foster start-up culture among its members. In achieving the same, the unit has entered into a Memorandum of Understanding on the 30th of October 2021, with the Centre for Intellectual Property Research and Advocacy (CIPRA), National Law School of India University (NLSIU), Bengaluru. As part of this Memorandum of Understanding, the two institutions have started collaborating in building a strong and vibrant Intellectual Property Rights cell in the college. To instil the culture of innovation in teaching and assessment among the faculty members, the IIC has undertaken steps along with CIPRA to provide adequate support in the form of orientations and input sessions on patent filing and copyrighting in social sciences and humanities. In collaboration, a session on Fundamentals of Intellectual Property Rights was conducted on the 26th of August 2021. A Mentoring Workshop for the Pre-incubates was conducted on 25th, 26th and 27th of August 2021. A National level workshop on "Intellectual Property Rights" was conducted on the 27th of August. Individual Student Mentoring Sessions for Student Start-ups were organised from 29th September to 10th October. A session on Copyrights in Social Sciences & Humanities was organised on 3rd March and Individual Student Mentoring Sessions for Student Start-ups was organised on 11th May 2022.

Academic
Collaborations

The IIC of St. Joseph's College of Commerce has also signed a Memorandum of Understanding with St. Joseph's Evening College, Bengaluru, India on the 7th of January, 2022. The intention behind this MOU is to encourage the dissemination of knowledge and innovative practices in both institutions in the form FDPs, Interactive sessions etc. The two institutions also aim at encouraging the entrepreneurial mind set in the students and fostering a start-up ecosystem in both the campuses.

Academic Collaboration

With the view to extend the horizon of knowledge disseminated, the institution collaborated with other multi-disciplinary colleges such as Sampurna Montfort College on the 12th of January 2022, Sri Ramakrishna College on the 2nd December 2021 and St. Joseph's College (Autonomous) in the month of December 2021. This partnership, enables the students to be acquainted with multi-disciplinary subjects provided by the partners and also provides the platform to share research and teaching-learning practices among the institutions thereby, building a stronger relationship to contribute to the student community at large.

Placement Cell

Along with the existing collaborations with several firms of divergent industries, during this academic year, the Placement Cell of SJCC collaborated with Ernst and Young (EY) on the 25th of January 2022. Through this MoU, 16 students were placed in EY with the opportunity to work as interns for three months. Alongside the mentioned collaboration, an MoU was signed on the 12th of October 2021 with Ernst and Young (GDS) to provide the students an opportunity to learn "International tax and Technology" as a subject offered to the

second-year undergraduate students as an allied option.

On the 1st of October 2021, the desk signed an MoU with U and I, an NGO working towards the upliftment of marginalised children. This MoU has provided a platform for our students to work on internships and projects with the NGO.

International Desk

The educational practices followed at St. Joseph's College of Commerce (Autonomous) have been designed considering the international academic and industrial demands. The International Desk of SJCC in consultation with all other Departments of the institution designs various international exposure programmes for students, including student exchange programmes, international industrial visits, and cultural exposure programmes. The Desk also initiates academic collaboration with renowned international universities and colleges. In the academic year 2021-2022, the international interventions of the institution were limited due to the pandemic. Despite the challenges the desk initiated a few collaborations and organised activities.

Memorandum of Understanding (MoU) Signed

St. Joseph's College of Commerce has a working MoU with selected foreign universities for academic and cultural exposure. This year, SJCC signed a new MoU with Globethics.net. located in Geneva, Switzerland. It is an international organization focussing on creating awareness among teachers, students, and other stakeholders about the need to follow ethical practices in higher education. The collaboration aims to achieve the goal through training programmes, research, collaborative projects, and by introducing

best practices. As a result of this collaboration, a two-day virtual International Conference titled, 'Enhancing Teaching Competencies through Professional Ethics' (ETCPE2021) was organized on 7th and 8th October, 2021.

Global Summer School Programmes

The college encourages and supports its students to participate in diverse short-term programmes offered by foreign universities. In its constant effort to provide students with opportunities for international exposure, the International Desk of St. Joseph's College of Commerce encourages the students to attend the Annual Summer School Programme which invites participants from all over the world. This academic year, three students from SJCC were selected for the 3-4 weeks long Summer School Programme at London School of Economics. Additionally, one student from BBA was selected to attend the Business Summer School at Stanford University, California (USA).

In July and August, 2022 4 students from SJCC will be attending the Summer School Programmes. The candidates were selected through a meticulous process and they were given necessary support to ensure an engaging learning experience abroad.

International Conference

International desk in collaboration with IQAC, UN Global Compact Network India, Eastern Institute of Technology, New Zealand, and Sri Ramakrishna College of Arts & Science (Autonomous) Coimbatore hosted a two-day virtual International Conference on 'Synergizing Technology, Language, and Literature: Towards Mapping New Directions in Higher Education' on 21 - 22 January 2022. at AIESEC in AAST Alexandria, Egypt in February and March 2022.

Foreign University Delegate Visit

SJCC has an active MoU with MAHSA University, Malaysia. As part of the ongoing collaboration, Professor Syriac Nellikunnel Devasia, Dean, Faculty of Business, Finance & IT (FOBFIT) from MAHSA visited SJCC campus on 29th April, 2022 from MAHSA University visited SJCC. Further, the institutions collaboratively organized a series of interactive sessions on prospective activities related to co-writing, e-content, supervising PhD projects, business pitching, grant for research, and student exchange initiatives in the field of Hospitality Management.

International Transfer Programme

St. Joseph's College of Commerce has a functional MoU with Eastern Institute of Technology (EIT), Napier New Zealand to offer transfer programmes, opportunities for higher studies and research. This collaboration allows BBA students of SJCC to enrol for a 3-year Twinning Programme. It is a 3-year full time programme — 1 year in India and 2 years in New Zealand. The International Desk shortlisted students for the Exchange Programme 2022-2023 and organized an online orientation session on May 26th, 2022. Mr. Siva Guda, International Marketing Manager from EIT oriented the students on the programme.

Thomas Cook

St. Joseph's College of Commerce has an active MoU with Thomas Cook to assist the institution in organizing international study tours. The study tours include visit to various universities, educational institutions and organizations of international repute. This year Thomas Cook has proposed three study tours to UK, Spain and Western Europe. Subsequently, Ms. Teja, a representative from Thomas Cook conducted an orientation session on 25th April, 2022.

Other Services

The international desk has extended support to the respective departments of SJCC in contacting Foreign Universities to conduct guest lectures, internships, seminars, conferences and workshops. The Desk assisted the BBA Department in organizing International E-conference on "Disruptions in Business and Economy: Challenges and Opportunities to a Sustainable Future" on 30th November 2021. The Desk also extended support to the IWSSDG team in collaborating with MAHSA University and Women in Tech Maldives for the lecture series. Apart from fulfilling these commitments, the International Desk also carries out academic counselling with faculty members and students about various scholarships, Global Summer School Programme (Online/Offline), and higher studies opportunities, such as Campus France's Virtual Tour to France, and SI-UK Study Abroad webinars.

Student Support

Student support is one of the significant aspects of holistic learning practices followed at SJCC. The institution, through its diversified curricular programmes and cocurricular activities, the institution aims to offer a wide variety of platforms to help students identify their passion and encourage their intellectual curiosity. In order to realize this vision, the institution has designed an effective student support framework. The institution has established mentorship programmes, workshops, pre-placement support and guidance aid amongst many others to meet the changing demands of holistic education pedagogy.

The institution also offers an inclusive learning environment for students irrespective of their social and religious backgrounds, especially to those who come from marginalized backgrounds. The college extends financial aid to deserving candidates through scholarships and freeships. Students with disabilities are also given additional support in terms of their movement on campus and during examination. The Remedial Class Committee identifies slow learners through Bridge Course Test and conducts individual tutoring sessions and

remedial classes. The Counselling Centre arranges confidential counselling sessions for students to ensure their emotional well-being. Thus, the student support initiatives of the institution have been instrumental in enhancing the overall learning experience of the student community. Above all, the multidimensional training offered at SJCC prepares students for efficiently dealing with diverse real-life challenges.

Orientation Programmes

The orientation programmes for the first year Undergraduate and Postgraduate students were held from 19th to 30 July 2021. Along with the general orientation programme, specific orientation programmes were also conducted.

The Principal welcomed all students to the campus on behalf of the management. The orientation committee briefed students about the rules and regulations of the college, the course structure, code of conduct, organization structure of BJES, and examination process and placement procedure for all students.

The orientation team updated the newcomers about the ethos of the institution and the role of IQAC in ensuring

quality of teaching and learning practices. The Counselling Centre of SJCC briefed about the holistic development programmes offered by the institution. Separate sessions were conducted to educate the first-year students about the upcoming sports events, association and extension activities.

The students also had an interactive with the faculty members of the Postgraduate Department, and Management Representatives. The values of faith and toil were highlighted throughout the orientation programme.

Student Welfare Committees

Grievance and Malpractice (Prevention & Redressal) Committee

Any type of grievance that students want to express, pertaining to other students, management, staff, infrastructure, CIA, examinations, and any other concerns can be discussed with teachers/Class Mentor/ and the Controller of Examinations respectively. It could also be brought to the notice of the committee depending upon the gravity of the issue. The committee will examine the complaint and suggest appropriate measures and actions to ensure justice to the students.

Sexual Harassment (Prevention and Redressal) Committee

The institution has constituted a Sexual Harassment (Prevention and Redressal) Committee to ensure that the students, teachers and non-teaching staff can work together in an environment that is free of gender violence, sexual harassment and discrimination. Students who come across any form of sexual harassment are expected to bring it to the attention of the Committee.

The Sexual Harassment (Prevention and Redressal) Committee of St. Joseph's College of Commerce began the meeting for its plan and action for the academic year 2021-2022. The committee oriented the members of the cell to create awareness among the student community at SJCC. The committee through the class mentors informed the new members about the Sexual Harassment (P&R) Committee. The committee conducted various talks in collaboration with women cell activities and Counselling Department of St. Joseph's College of Commerce to create awareness on the Legal protection for victims. The committee conducted an online quiz to understand the level of awareness among the students at SJCC. It was analysed that 80% – 85% of the students who took up the quiz, had an understanding on the various indicators of sexual harassment and its complexities. Therefore, quiz was a good initiative to educate the students about the differences between harassment and sexual harassment and the rights and responsibilities to act in various circumstances in a professional set up.

Anti-Ragging Cell

To root out ragging in all its forms from the institution, an anti-ragging cell has been established as per the guidelines of UGC. Ragging in any form on campus is banned by the institution. The Anti-Ragging Cell takes strict action against those found guilty of ragging or abetting ragging. All complaints pertaining to any kind of ragging by any student or group of students within or outside the campus should be reported to the 'Anti-ragging Cell'.

Equal Opportunity Centre

The institution has established an Equal Opportunity Centre as per the guidelines of

UGC to oversee the effective implementation of policies and programmes for students from disadvantaged communities, to provide guidance and counselling with respect to academic, financial, social and other matters and also to enhance the diversity within the campus. The Equal Opportunity Centre hosted a talk by Mr. Manohar Ranganathan on gender sensitivity on 24 May 2022.

Support for Girl Students

The institution strives to make the college a safe space for girl students. Girl students are provided with extra support in various ways to enhance their learning experience here. Some of them are mentioned below:

- The Ladies Room - A common space for girls with necessary facilities
- Sexual Harassment Prevention Cell - A statutory committee formed to ensure speedy grievance redressal and prevention of sexual harassment
- Health & well-being support - physical, mental health and well-being are given equal importance
- Women's Forum – an association to educate, empower and ensure an encouraging space for women that promotes meaningful discussions
- Class Ladies Representatives – To ensure representation of girl students and also to establish a formal contact point for girl students to express their concerns
- Women Empowerment Programmes - To empower girl students through talks, workshops and campaigns
- Safety & Surveillance - CCTV cameras installed to deter unruly behaviour and ensure the safety of women on campus
- Women Counsellors – personal and social counselling, specifically by lady counsellors to listen to the concerns of girl students
- Representation of Women in Student Council – the institution ensures equal gender-representation in leadership positions
- Exclusive Open House for Women – IQAC organizes Open House to listen to and address the concerns of girl students

In addition to the above stated initiatives, the college ensures that female faculty members accompany students on every off-campus camp, study tours and other academic activities. The college strives to build healthy spaces that promote harmonious coexistence of students irrespective of their gender and other backgrounds.

Bridge courses

The institution conducted Bridge Course in Mathematics and Accounts for first-year students to support those who have either not studied the subjects or found them difficult to comprehend. The Bridge Course coordinator shared the details of the Bridge Course with all BBA and BCOM first-year students during their admission. The course materials were made available on the college website. Students were asked to access the learning materials, such as the Bridge Course videos and worksheets once their admission was confirmed. The bridge course for both Basic Mathematics and Accounts have been made available online. Online content in terms of lecture series was developed with the help of institution's media team and it was made available to the first-year students.

Students started with the Basic Mathematics bridge course in the month of July 2021.

They were evaluated upon completion of the course on 16th August 2021. This was followed by bridge course on Accounts which started on 6th of September 2021 and students were evaluated on 4th of October 2021. The Bridge Course tests were conducted on MS Teams by the respective subject teachers. The results were sent to the students and the Remedial Programme Coordinator. The Remedial Class Committee identifies slow learners through Bridge Course Test and eventually these students get enrolled to the remedial classes. 593 students attended the Accounts Bridge Course and 574 students attended Mathematics.

Remedial Programme

Remedial Coaching is a midcourse improvement programme that is organized after each semester with the objective of hand-holding our students and providing learning support to improve their academic performance. The institution believes in the Latin maxim 'Cura personalis' - personal care and concern for the individual and it is one of the hallmarks of the Ignatian philosophy. Here individual care and attention is given to each and every learner. Remedial coaching is one of the efforts undertaken in this regard.

The institution restructured remedial programmes with the Peer Learning Model in order to enhance the students' interest in learning and to make the learning process a more joyful experience. In this model of peer support, the teaching is handled by a 'student-tutor' who will be responsible to teach the 'student-tutees' under the guidance of the subject teacher. The remedial coaching classes were scheduled online on the MS Teams platform as well as the offline mode to make the programme effective.

Remedial classes were conducted in the month of November 2021 for Second and third-year UG students while the first-year students had their remedial classes in the month of January 2022. The remedial program kick-started by identifying the list of courses that require additional reinforcements through remedial sessions. Each class mentor scheduled a mentor meeting and discussed with their respective classes and identified the list of courses. The list was shared by the remedial programme coordinator with the respective subject teachers. Each subject teacher identified student tutees and tutors for their respective subjects. The tutees were selected by subject teachers on the basis of low CIA grades, low attendance percentage, students with incomplete notes (in the case of practical subjects) and any student who voluntarily requests to be added to the remedial class. Proactive students who are capable of handling the peer teaching were chosen by subject teachers and were entrusted with the responsibility of student-tutor. The tutors were guided with respect to the concepts and topics to be covered by the respective subject teachers. There was an excellent collaboration among the students through this faculty-guided peer-learning model.

Mentorship

Mentoring is often defined as a professional relationship in which a mentor assists a student in developing specific skills and knowledge that will enhance their strengths, professional and personal growth for the future. A mentor also provides feedback and guidance for the overall development of the mentee.

Mentoring is useful, during their three-year journey of under-graduation, since students are navigating through college life, social life, career paths and also working towards forming an independent life.

An efficient mentoring system has proved to be effective in enhancing students' overall performance. It works as a support system for them and provides comfort as they know that there is someone they can turn to if they face any trouble, be it curricular, co-curricular or personal.

At St. Joseph's College of Commerce, every first-year class gets two mentors (about 40 students to each mentor). The mentors arrange meetings with students individually and help them address their concerns. Through this, mentors are able to assess student's condition on a more personal level and help or guide them where necessary.

Mentors arrange an 'Open Hour' every week to listen to students. They keep track of academic performance, leave records and meet parents when required. In addition, they educate students about the college rules and facilities that they can avail. This academic year, class mentors utilized the online platforms for meeting students and tracking their performance.

Class mentors maintain student file which contains students' details and is kept up-to-date. This file is passed on to the teachers who handles the class in the following years.

St Joseph's College of Commerce, stresses on holistic and integrated development of students, by providing them with appropriate guidance and assistance to facilitate their transition from school to college life. Through the mentoring process, the institution aims to enhance the overall development of the students. The counselling centre of the college, through four full time counsellors provides the students with emotional, mental and spiritual support, in addition to academics.

Scholarship & Freeship

The institution believes that life is lived well when it is lived generously in the service of others. The Jesuits have believed that lack of financial resources should not hinder one's educational pursuits. They have always given importance to empowering the marginalized and provide financial aid to students who deserve such support.

This academic year financial aid was given to deserving students in the form of Management Scholarships of Rs. 1,17,12,160 to 963 students.

Members of SJCC Alumni Association have contributed Rs. 13,35,000 towards student scholarships, which benefitted 119 students.

The institution facilitated the Government Scholarship of Rs. 75,200, which benefitted 80 students, SC/ST Government Scholarship of Rs. 1,38,983, which benefitted 17 students and SPDC Scholarship of Rs. 1,37,625, which benefitted one student.

Counselling Centre

INTRODUCTION:

St Joseph's College of Commerce stresses on the holistic development of the students. To achieve that objective, the college provides counselling services to the students through four full time counsellors.

The Counsellors ensure a safe and judgement-free space for students to share the concerns and challenges they face. With the help of empathic listening, students are guided towards a better understanding of themselves, their feelings, thoughts, behaviours, which in-turn empowers them.

OBJECTIVES:

- To enable therapeutic communication in an atmosphere of safety, trust and confidentiality
- To provide customized counselling support based on the evolving needs of students
- To nurture self-awareness and meaningful relationship skills
- To help in the development of emotional quotient

Counselling

Personal Counselling:

Counsellors meet students for one-on-one personal counselling sessions. Students come with issues related to low self-esteem, peer-pressure, adjustment issues, family issues, abuse, emotional issues like fear, anger, grief, anxiety, academic issues like performance, attendance, etc.

Counselling provides guidance and assistance to the students and gives them a space to talk about their concerns and explore difficult feelings in an open environment that is free from intrusion and is confidential. Counsellors assist students to gain an insight into their feelings. A supportive atmosphere is provided to the students for them to feel comfortable. With the help of empathic listening students are guided towards a better understanding of themselves which makes the students feel empowered.

Group Counselling:

The counsellors meet the students in groups of 5-8. This session provides them a safe space to interact with their peers and with the counsellor. It helps them to create bonds with each other and reduces the sense of alienation and loneliness. It helps to promote their inter-personal awareness and acceptance of others, leading to healthier relationships with the people around them.

Number of groups conducted: 86

PSYHO-EDUCATIVE PROGRAMME:

Psychological Well-being Sessions

Number of students benefitted: 940 (1st year students)

Structure:

- Sessions are kept interactive with input from the students on their understanding of the topic. As the class progresses and each topic is discussed in more detail, students are asked about their understanding or experiences of the same.

- Each session includes various activities of personal reflection, group work, art therapy, guided visualizations, etc.
- Sessions are backed with plenty of real-life examples that students can relate to.

Topics covered:

- o Myths and facts about counselling
- o Facing peer pressure
- o Self-esteem
- o Understanding our emotions
- o Anger management
- o Handling fear/anxiety
- o Building healthy relationships
- o Dealing with loss/grief

Students were asked to submit a personal reflection after each HRD session in the Class Notebook on MS Teams. This helped to assess the impact of the topic on them and also helped the students become more aware of themselves as they reflected on the topic.

PROFESSIONAL INPUT SESSIONS:

1. A session on 'Human Trafficking and Addiction', in association with the Harmony Club of SJCC, by Rev. Albert PJ, Founder and Executive Director, Abhayam De-addiction centre.

Date: 13th of May, 2022.

No. of students: 45

The session covered aspects like types of addiction, ways of trafficking, effects and ways to get out of this phase. He also illustrated few behavioural patterns to make the session interactive. It was a very interactive, fruitful and enriching session.

2. A talk on 'Human Trafficking', by Ms. Geeta Menon. A women's rights activist and a representative of Stree Jagruti Samiti and the Domestic Workers Rights Union, she has worked on issues like domestic violence, sexual harassment, issues of domestic labour, etc.

Dates: 26th May and 1st June, 2022
(4 sessions).

No. of students: 940 (all first year students)

Ms. Menon gave the students very relevant cases from her work experience as a social worker as well as showed them a documentary video on Human Trafficking, which made the seminar all the more wholesome and interesting. She educated the students on how people are trafficked and highlighted the depth at which women and children are affected by this issue.

The students were moved by her talk and had several important questions to ask. Their enthusiasm and curiosity shows us that their level of awareness has been increased and they have become sensitized to the world they live in.

Training and Placement Cell

The Placement Cell has completed another successful year of placement activities by placing more than 219 students. The placement Department started its activities by organizing a detailed orientation programme regarding the placement process. Placement at SJCC involves the two following processes:

Pre-placement Process and Skill Development

Both the aforementioned processes are designed to prepare the second-year and final-year students of the institution for placement opportunities. Second-year students take up corporate internships in order to familiarize themselves with the recruitment process and professional requirements which prepare them for the final recruitment process.

Placement Workshops 2021-2022

Employability Workshop - A two-week Employability Training Workshop was organized to finetune the skills of students and make them familiar with the industry requirements. CRT Prep conducted this workshop for the final year students from 21st August 2021 to 27th August 2021. Spread over a period of two weeks, this workshop included quantitative modules, logical reasoning, resume building, mock interviews, and soft skills development sessions.

Internships

In its constant endeavour to provide students the opportunity to gain a perfect blend of academic excellence and practical exposure to the industry, St. Joseph's College of Commerce (Autonomous), encourages the students to pursue internships which help the students to connect and apply the concepts learnt in the classroom. This learning experience furthers the growth of students and makes them industry-ready. Internships are a compulsory part of the Under Graduate and Post Graduate courses at St. Joseph's College of Commerce as it is believed that internships facilitate the integration of theoretical learning with its application and practice in the workplace.

Following are the different types of internships that the students are expected to complete during their Semester Break to experience the changing cultures of a fast-paced work environment and their impact on the global economy.

- Corporate Internships for Second year B.Com and BBA students - Academic Year 2021-22 being an unprecedented year that led to economic and social disruption worldwide also negatively impacted the corporate internship opportunities and exposure that our students used to obtain year after year. St. Joseph's College of Commerce, keeping in view the academic requirements of students, non-availability of opportunities off - campus, the digital inclination of students and the interdisciplinary requirements of Higher Education, committed itself to provide students with the opportunity of pursuing MOOC courses in lieu of Corporate Internships.

The list of inter- disciplinary courses from SWAYAM, Coursera and Udemy were made available to the students and the students of second year B.Com and BBA were expected to choose one online course of their choice, register for the course, pursue the course, take up the assignments, quizzes, assessments conducted and complete the course. After the completion of the course, the students were assessed based on the MOOC summary report submitted by them.

Around 600 second year B.Com and BBA students pursued MOOC courses in lieu of Corporate Internships during the summer of 2021 and about 300 students pursued corporate internships through the 'Work from Home' mode of operations.

Following are the numerical statistics of Under Graduate and Post Graduate

students who were recruited by various organizations that visited the campus for corporate internships that could be pursued during the months of July and August of Academic Year 2022..

Sl. no	Name of the Organization	Division	Number of students selected
1.	Goldman Sachs	Operations	26
		IBD – DRG	03
		Compliance	03
		Controllers	01
2.	Service Now	Partner Development Intern	02
3.	EY GDS	Tax	16

b. Social Internship – St. Joseph’s College of Commerce encompasses Academic Excellence, Character Formation and Social Concern. Students of BBA (Regular) and BBA (Professional) are encouraged to take up Social Internships during their second year that will help them develop sensitivity towards social issues and engage in activities that will help make the Society better. In this regard, the prominent organisations that our students pursued their social internship for a minimum of 60 hours include U&I, Little Smiles Initiative, Durga Foundation, Collective action for Basic Rights Foundation etc.

c. Start Up Internship - The BBA Entrepreneurship Program of St. Joseph’s College of Commerce has been designed with a vision to infuse experiential and high-quality education with a global focus. This Program involves a unique and dynamic combination of creativity, innovation, critical-thinking and organization, provided on an interactive platform which hones the students into becoming competent future entrepreneurs.

In line with the objective of the Programme, even during the pandemic, the Students of 2nd Semester BBA (Entrepreneurship) students undertook internships in both online and offline mode for a period of 4 to 6 weeks during their second year.

d. Corporate Internships or Teaching Practice for M.Com (Regular) and M.Com (International Business) students - As part of the PG curriculum, M.Com (Regular) and M.Com (IB) students are required to take up either a corporate internship of eight weeks or 60 hours of Teaching Practice during their II semester summer break. Due to the pandemic, the internship component was replaced to ensure that the learning process continues despite the uncertainty of the situation. The students were provided with the opportunity to pursue MOOC courses available on the Coursera Platform. Students were expected to choose two online courses of their choice, register for the course, pursue the course, take up the assignments, quizzes, assessments conducted and complete the course. Further, the students also prepared summary reports on the specific MOOC courses completed by them. Some of the courses taken were Resilience skills in a time of uncertainty, Job success: get hired or promoted in 3 steps, Green business strategy, Get interactive: Practical teaching with technology etc. A total of 178 courses were completed by 89 students.

e. Semester Corporate Internships for M. Com (Financial Analysis) Students

As a part of the PG curriculum, II M.Com FA students are expected to complete 6 months of corporate internship in any

vertical that is finance related, during their fourth semester. The class of 50 students are pursuing a combination of both offline internships and internships through 'Work from Home' option in organizations such as Grant Thornton, HSKA & Associates, Deloitte, CSK Bank, Stockholding Corporation of India Limited etc in the divisions of Finance, Audit, Tax and Inventory Management.

2021-22

Sports Report

The activities for the year 2021-22 commenced in the month of July wherein the foundations were laid for future sports activities of the year. Vacant positions which were left open as a result of the graduation of the students were filled after much deliberation.

The Selection trials for BBA, B.Com, and M.Com classes were conducted in the months of April and May 2021 to admit students on the basis of Sports Merit for the Academic Year. A total of 88 students registered for the sports quota admissions in various disciplines and this year, we inducted 35 sportspersons based on their individual sports merits to strengthen the sports teams for the year 2021-22. The selected sportspersons were given concessions in academic percentage while the admission formalities were being done.

Conclusion

The Annual Report of the college is not only a record of our journey of this academic year but it also captures the dreams and aspirations of the years to come. God has blessed us with His grace so that we may continue this journey of excellence and our Patron St. Joseph is always a source of inspiration for us to work hard.

I would like to place on record my sincere appreciation to all those who have been a true source of inspiration and support. I would like to thank Rev. Fr. Dionysius Vaz SJ, the Provincial of Karnataka Jesuit province and the President of BJES, for his vision and inspiration. I express my deep sense of gratitude to Rev. Fr. Brian Pereira, SJ, Vice President, BJES, for his constant guidance, support and encouragement. I thank all the members of the Governing Body of the society and the Principals of BJES Institutions.

My sincere thanks to the Chief Guest of this day, Prof. H S Ventatesh Murthy. It is because of the selfless service and contribution of dedicated professors and mentors like sir that the institution continues to be one of the best in the country. I thank the members of the Alumni Association headed by Ms. Kavitha Muthappa for their constant support.

My heartfelt thanks to the administrative staff for all their hard work towards a smooth and efficient functioning of the college. My special thanks and appreciation to the service staff who keep the campus clean and tidy.

Thank you, my dear students, the office bearers, the committed student volunteers and the members of the students' council. Congratulations to all the prize winners - your contribution to the institution will always be cherished and I wish you good luck for the future.

Farewell to the outgoing batch, may you always treasure the special memories of your student life at St. Joseph's College of Commerce.

Thank you and have a pleasant evening.
