Bembala Programme Report

2018 -19

During the year 2018-19, the outreach department of SJCC conducted many activities for the PG and UG students. These programmes help in creating awareness amongst the students and simultaneously building their skills impacting community life at large. These were organized by the outreach co-ordinator of SJCC Mr. Samuel Gladson along with the support of BJES Bambala coordinators, Mr. Sain, Mr. Ranjith, Mr. Sunil, Mr. Anthony and Mr. Paul.

The activities are:

1. Government School Teaching Program
2. Cleanliness Drive
3. Traffic Awareness Program
4. Charitable Homes Visit
5. Rural Camp
6. SJCC faculty visit to Raichur manvi

Faculty of SJCC during their visit to Loyola College, Manvi as part of the Twinning Programme

These activities were classified semester wise for the undergraduate students.

BEMBALA - OUTREACH

Experience and Learning from Bembala

Adeeba Afeen, I M.com (Reg)

“Rural camp was an amazing experience where we got to learn a lot from the people, they gave us so much of love that we will cherish it for our whole life . We created awareness about cleanliness, gender equality, importance of education and important of using toilets. We learnt how to accept, adjust and appreciate a smile life in village “

Annie prima Dsouza, I M.com (FA)

“The Rural camp gave an insight into the lives and way of living of the locals. This camp ended with many sweet memories and a lot of learning as to how one community in the village will fight for what right. We, students dearly miss the open grounds and the enthusiastic children and the smiles of the villagers.”

Lynet malvika bibeiro , 2 Mcom (Reg)

“The rural camp at Pannur was indeed an eye opener for us young teenagers. It was a wonderful experience on hoe it is to live life the hard way. It was compromised of so many activities that allowed us to get into the shoes of the people living in these backward communities. It showed us that a smile life is what draws peace, joy and happiness. Such rural exposure camps are must for us youth to gain insight that one must always be happy with what they have.”

ASSOCIATIONS and Outreach Activities

Jesuit Education is unique. It carries an inimitable mark and derives its inspiration from Ignatius, the Educator. The Ignatian pedagogical paradigm is legendary as it helps students to gradually learn to discern and be selective in choosing experiences; to draw fullness and richness from the reflection on those experiences and become self-motivated by his or her own integrity and humanity to make conscious, responsible choices. St. Josephs College of Commerce, strives to provide ample scope for students to make these responsible choices. Jesuit education transcends academic mastery. It is value oriented and encourages realistic knowledge, of the world in which we live. Above all through such social activities, it prepares men and women for active life commitment.

Jesuit education helps students to realize that talents are gifts to be developed, not for self-satisfaction or self gain, but rather, with the help of God, to be utilized for the good of human community. Students are encouraged to use their gifts in the service of others, out of love for God.

***60 hours of community service is mandatory to graduate from SJCC**

TWINNING PROGRAMME

BJES Twinning Programme

This academic year the BJES initiated a twinning programme with the Jesuit missions in rural parts of Karnataka. The twinning programme is an outreach initiative of BJES to bridge the gap in learning and resources between the rural and the urban society. Under this programme each institution of BJES will work with another Jesuit institution in rural Karnataka to share its resources and expertise.

Vision: Jesuits journeying together with our collaborators to build an inclusive society of justice, equality, reconciliation and fraternity by transforming the individuals.

Mission: Rooted in God and in partnership with the people of goodwill, we journey together to educate and to bring about a radical transformation of the society by promoting the integral development of individuals who uphold the values enshrined in our Constitutions and care for the Mother Earth, 'our common home'.

BJES has the following objectives under this programme:

- To promote "Human Excellence" in our Institutions through interactions and mutual sharing of resources.
- Collaborate to conscientize and empower the target groups in twinning centers
- Enhance health, hygiene and emotional wellbeing.
- Skill Training for livelihood and employment
- Caring for Our Mother Earth by collaborating with our twinning partner
- Sharing of human and financial resources with our twinning partners to educate and to empower people

St. Joseph's College of Commerce has constituted a committee for the twinning programme headed by the Principal. Dr. A M Sheela is the chief coordinator and the other members include Dr. T H Lavakumar, Mr. Samuel Gladson. Dr. Selvi S, Mr. Vinay Kambipura.

Under this programme St. Joseph's College of Commerce has initiated the following tasks:

1. Intervention projects

St. Joseph's College of Commerce in collaboration with BJES has completed three research projects on migration, livelihood and agriculture, poverty and education, and women and child health. These projects were undertaken with an objective of aiding the interventionist work in uplifting the lives of marginalized communities. The research, backed with concrete data and practical suggestions, is expected to help social workers working in these fields to develop a holistic understanding of the issues and thus develop programmes that cater to the specific needs of the community. The research projects also aim to influence the government policies on these issues. Below are the details of the completed research projects:

- a) "Socio economic implications of migration on the livelihoods of agricultural and unorganized laborers in Bijapur district" undertaken by Dr.A.M.Sheela as the Principal Investigator and Rev Fr. Jerry D'Souza SJ as the Co-Investigator.
- b) "Socio economic impact on poverty on enrollment and dropout in school education- a study in Raichur district" undertaken by Dr. Suganthi Pais as the Principal Investigator and Rev Fr. Anil SJ as the Co-Investigator.

- c) "Prevalence and assessment of women's health and child malnutrition in Raichur district - with special reference to Marvi taluk" undertaken by Ms. Ravi Darshini as the Principal Investigator and Ms. Sanjana as the Co-Investigator.

2. Workshop for Self Help Groups of Vijayapura

St. Joseph's College of Commerce organized a 2 day workshop for the women of Self Help Groups in Vijayapur on 17th and 18th of September, 2018. The workshop was aimed at enhancing their skills and exploring the possibility of venturing into small scale business which could be commenced with minimum capital requirement and in the comfort of their homes. The workshop was organized in collaboration with Bijapur Jesuit Educational and Charitable Society.

In the first session women were taught the method of preparing 'Panchagavya' and its uses. The next session for demonstration was 'scented stones' in other words air fresheners. Mrs. Geetha of Handicrafts Academy in Bangalore taught the women how to make 'scented stones' using organic scents and plaster-of-paris. The post lunch session was on Organic Soap making. The women exhibited their creative side and how keen they were to learn new things. The last session for the day was how to make different masala's to provide new taste to their taste buds; they learnt to make two types of Poha.

The second day's session was making of perfume candles which was successfully learnt and done by each of the participant. The last session was hands on experience in Terra cotta jewelry. Fifty women from Vijayapura participated in this workshop.

Skill development programmes organized at SJCC for women of 'Self Help Groups' from North Karnataka as part of the Twinning programme
