LzwT ĩnkĤĤj qwzı Ĩ kı r

Every milestone invites celebration, but it is the journey that gives the milestone its meaning. What matters is not merely where a journey leads us, but who it shapes us to become. As the B.Com. Programme at St Joseph's College of Commerce celebrates its Platinum Jubilee, we honour seventy-five years of purposeful education rooted in the Jesuit ideals of Magis, Cura Personalis, and forming men and women for and with others. Over the decades, the programme has nurtured generations of Josephites who have gone on to become leaders, innovators, entrepreneurs, sportspersons, and, above all, responsible citizens making meaningful contributions to society.

This commemorative edition of The Platinum Legacy reflects that enduring spirit through four thoughtfully curated sections. Campus Kaleidoscope captures the vibrancy of the first four months of the academic year and the moments that continue to define the Josephite experience. Legacy Ledger features conversations with two distinguished alumni, Mr Abhimanyu Manimaran, Senior Adviser – China and Sustainable Finance at the Rainforest Foundation (Norway), and Mr Ralston D'Souza, Founder of Livezy, fitness coach, and content creator. Their journeys, though remarkably different, testify to the diverse possibilities that emerge from a strong academic foundation and remind our students that success is often shaped by passion, purpose, resilience, and the courage to pursue unconventional paths.

The third section showcases the creativity and imagination of our students, offering a glimpse into the voices and perspectives that enrich our campus community. The final section highlights the work of the Editorial Club, whose commitment to thoughtful expression, collaboration, and storytelling continues to foster a vibrant culture of communication within the college.

As you turn these pages, we hope this special edition brings a smile to your face, rekindles cherished memories, and evokes the quiet pride that comes with being a Josephite. While seventy-five years is a milestone worthy of celebration, the true legacy of the B.Com. Programme lies in the lives it has shaped, the values it has upheld, and the futures it continues to inspire.

Here's to seventy-five remarkable years and to the many journeys that are yet to unfold. Happy reading!

AUGUST 2026

a VU b ROMN b

GE UT bNEULE d Rbd YGRE KRKHYGbOUT a

August was a month of cultural celebrations, student competitions, academic achievements and institutional milestones. From All Cultures Day and Independence Day to Cipher, Kalotsav, Vividha and TEDxSJCC, the month showcased SJCC's vibrant student life alongside strong performances in academics, sports, entrepreneurship and inter-collegiate events.

MOMENTS THAT SHAPED THE MONTH

- Cultural Celebrations – All Cultures Day, Kalotsav, Vividha, Kannada Sangha activities and Independence Day celebrations brought the campus alive with diverse traditions.
- Student Fests & Competitions – Cipher, PRISM, EcoTrack, Quantera, Inflectum, and inter-collegiate fests gave students opportunities to learn beyond the classroom.
- Academic Excellence & Research – Board of Studies meetings, research training, scholar interfaces, and academic sessions strengthened opportunities for intellectual exchange.
- Entrepreneurship & Innovation – The Kalotsav Market, Entrepreneurship Day, E-Summit, and Business Team achievements encouraged students to develop an entrepreneurial mindset.
- Industry & Corporate Readiness – Industrial visits, the Corporate Internship Bootcamp, skilling sessions, and professional workshops helped students understand workplace expectations and prepare more confidently for the professional world.
- AI & Emerging Technologies – Claude AI training, TEDxSJCC, and AI-focused academic discussions encouraged students to engage critically with emerging technologies and consider their possibilities and implications.
